

1st International CIB Endorsed METU Postgraduate Conference on
Built Environment and Information Technologies

INSTRUCTIONS FOR POSTER PRESENTATION

Format For Poster

The poster will be fastened to poster board with double-sided adhesive tape, which can be provided from Registration Desk. Poster boards will be available in METU Cultural and Convention Center (CCC), Hall C. They are made up of chipboard with dimensions of 94x 120 cm or 94x 123 cm or of 94x 124 cm.

We recommend the following to optimise the poster viewing:

- Use paper trimmed to DIN-A1 size (59.4 x 84.1) in portrait orientation for the poster. If one poster sheet is not enough for your presentation, you can prepare a second sheet with the same instructions.
- Place the TITLE of the poster and NAME and AFFILIATION of authors at the UPPER Part of the poster.
- Use font size large enough to allow reading at a distance of 200 cm.

Format For Oral Presentation in Poster Session

The time allotted for the oral presentation of your contribution is limited to **10 minutes**. Overhead and slide projectors as well as power point presentation in PC format will also be available in METU CCC, Hall C, and you are expected to present your poster to the delegates. At the end of the Poster Session there will be a discussion to answer any additional questions regarding your work. If you require additional technical assistance please contact with the Conference Secretariat before arrival.
